

Junior Hockey Subscriptions 2011-12

Dear Parents

Attached are details of the subscriptions for the 2011-12 season which we have managed to maintain at last years level for most age groups. This is against the ever increasing cost of our main expenditure, the hire of Astro facilities, and significant ongoing investment this year in coach qualifications. As you know we are non profit making and all of our coaches and helpers are unpaid volunteers.

This season incorporates 27 weeks of training/games sessions which I hope you and the players will all enjoy and learn lots from.

The total fees include £20 which is the Beckenham Cricket Club membership fee, and existing members of other sections of Beckenham Cricket club **who have already paid club membership fees** can deduct this £20 from the relevant age group subscriptions shown.

We would ask that you pay your subs as soon as possible ideally at the first training session.

The anticipated costs of running junior hockey are massive and our estimated budget for this season is approximately £30,000. The cost of Astro turf hire, equipment purchases in terms of balls, goalkeeping equipment, cones, training bibs etc and coach training cover the majority of our budget. We also have to pay for competition entries and our admin costs.

This year we are working toward achieving ClubsFirst. ClubsFirst is England Hockey Board's accreditation scheme for clubs. All clubs achieving ClubsFirst also achieve the Sport England Clubmark accreditation, a nationally recognised award for sports clubs. This will be a significant step forward and will take a considerable amount of work to make it happen. If you feel you would like to help with our application please let Andy Willis or Brendan Kearns know – all help will be greatly appreciated.

Thank you very much for your assistance and support. And we look forward to seeing you in September.
