

Junior Hockey Subscriptions

Dear Parents

We attach details of the subscriptions for the 2009-10 season. This season incorporates 28 weeks of training/games sessions which equates to a session cost of between £3.00 for the minis and £4.50 for the U14 and U16 groups.

The total fees include £20 which is the Beckenham Cricket Club membership fee, and existing members of other sections of Beckenham Cricket club **who have already paid club membership fees** can deduct this £20 from the relevant age group subscriptions shown. **We would ask that you pay your subs as soon as possible.**

Due to the successes we achieved last year in running our own finances, we are pleased to announce that there is no increase to the subscriptions this season. We would remind you that we are non profit making and all of our coaches and helpers are unpaid volunteers.

The anticipated costs of running junior hockey are massive and our estimated budget for this season is approximately £30,000. The cost of Astro turf hire and equipment purchases in terms of balls, goalkeeping equipment, cones, training bibs etc cover the majority of our budget. We also have to pay for competition entries, training of coaches and our admin costs etc.

This season we will be starting a fresh fund raising initiative and we hope that you will all to take an active role in this. The aim of this is to enable us to both improve both your and your child's experience as a member of the club and to curb future increases in subscription costs.

We will be distributing a further letter on this during the early part of the season where we will outline our plans and provide ideas of where you may be able to assist us, and I would welcome any ideas you may have to add to this.

We are very aware that not having one central facility inhibits a community feel about our club, but we want you all, and not just your children to feel part of our club, and to contribute to its wellbeing. One of our aims will be to create fund raising groups/committees for each of the playing age groups and to encourage social events for the parents as well as the juniors.

Our current junior coaches and helpers put a huge amount of time and energy to both plan and run the Sunday sessions as well as all the other things necessary to run the club and this is why we need your assistance from a social and fund raising viewpoint.

Thank you very much for your assistance and support.
